## So You Can Reduce Yours.

### FAIRTRADE, ORGANIC... NOW 100% CARBON NEUTRAL.

**Flavour Begins at Origin**  
High quality Arabica coffee is the product of rich soils, a cool & wet climate and high altitude

**Integrity Begins with Fairtrade**  
Fairtrade guarantees a fair price is paid to the grower and improved living conditions for producers and their communities

**The Environment Began as Organic**  
Luscious Rainforests rich in biodiversity support birdlife and provide the canopy for our Organic, Shade Grown Coffee.
